

Currently seeking applicants for the following position:

Marine Mammal Senior Trainer

Summary: The Marine Mammal Senior Trainer is a key role in our Discovery Kingdom Marine Mammal Department. This position is responsible for supporting the daily management in one of five marine mammal areas. Our current collection includes cetaceans (bottlenose dolphins and killer whale), pinnipeds (sea lions, seals and walrus) and mustelids (otters).

Key Duties and Responsibilities:

- Assist the area Supervisor with establishing policies and programs that provide the highest level of animal care
- Maintain established behavior to criteria, train new behaviors, and provide enrichment based on the most current and widely accepted techniques
- Participate in research and educational programs as required
- Act as mentor for less experienced team members
- Maintain a friendly work environment that is safe and productive for our staff
- Provide an outstanding guest experience through innovative stage performances and interactive programs
- Represent the department with various industry related organizations and governing institutions
- Other duties as assigned

Minimum Qualifications:

- Minimum Bachelors degree in biology, zoology, or equivalent combination of training and experience required
- Minimum four years relevant experience in training, and behavioral management of marine mammals required; experience working with sea lions preferred
- SCUBA certification and strong swimming skills are required
- Proficiency in MS Office applications essential

Application Deadline: March 12, 2010

Date Posted: March 5, 2010

How to Apply: Qualified candidates should submit a resume along with salary requirements to Human Resources Office. Six Flags Discovery Kingdom offers an excellent benefits package.
