

# Six Flags Great Adventure Dancefest 2009 Performance Guidelines & Information

Here is some helpful information to make your performance and your day at Six Flags an adventure you will never forget!

***Six Flags is a family destination. Please make sure your group's costume, music and performance is appropriate for Guests of all ages. If you have any questions, please ask in advance of your performance day.***

Showcase Theater is an indoor venue. Dimensions are available upon request but can change with the addition or removal of set pieces. The floor is covered in black rubber tiles.

Theater doors open 15 min after park opening (check operating calendar for exact times).

For Check-In, please have your participants come to Showcase Theater with their own medical release forms. (Medical Release forms can be checked in both individually or as a group).

***A Medical Release/Liability form must be submitted for each participant on your performance day. Anyone without a Medical Release form will not be permitted backstage.***

Dressing rooms are not available. There are bathroom facilities next door to Showcase Theater.

Six Flags is not responsible for lost or stolen articles. Rental lockers are available inside the park and outside the main entrance.

Please have your dancers dressed and ready to perform 1 hour prior to their scheduled performance time. Please inform all family and friends to arrive at this time as to not miss your performance.

Each troupe is limited to 15 minutes of performance time. Music and lights may be dimmed if time is exceeded at our discretion.

No costume changes or shoe changes permitted during your performance time.

Please no duets, solos or trios.

Six Flags is not equipped to handle acrobatic or gymnastic routines. Please refrain from incorporating them into your performance.

Props are allowed but discouraged. All props must be cleared through our Security Department.

Please bring your music on a CD (preferable) or a cassette tape. Please bring backup.

Neatly write or type an introduction for your group on a separate piece of paper.

***Please provide 1 person who is familiar with the routines to sit in the sound booth with the sound technician to insure the performers are ready and that the music is being played, paused and stopped in the correct order.***

Friends and family are welcome to join the fun. Make sure they order discounted tickets.

Extra tickets may be purchased on your performance day for the up-charged price. Please bring a copy of the shipment voucher from your original order to the Guest Relations building.
