

# Six Flags Theme Parks - Job Posting Entertainment Seasonal Position Scenic Painter

**Summary:** The scenic artist is responsible for painting and texturing backgrounds, landscapes and large set pieces or individual props or models. Must have an understanding of color, paint types and the full range of painting and texturing techniques used for painting miniature sets.

## **Key Duties and Responsibilities:**

- Paint sets and props following the color and lighting script set forth by the Production Designer.
- Able to create nearly identical paint jobs on multiple versions of the same prop or set.
- Able to work under tight deadlines and communicate if deadlines are slipping or delayed.
- Inventory and track materials needed for work flow and communicate when inventory is low.
- Other duties as assigned.

## **Skills and Qualifications**

- Strong aesthetic sense and knowledge of a variety of paint, painted textures and painting techniques.
- Able to work in fine detail for extended periods of time.
- Prior production experience preferred.
- Detailed oriented.
- Must submit a portfolio of prior work.
- Work in uncomfortable positions for extended periods of time including standing, kneeling, squatting and sitting positions.
- Climb and work from heights of up to 30'.

**Starting Pay: \$13.00/Hour  
Hours Vary Pending Projects**
