

Dear Director:

We are excited to offer your performing group the opportunity to participate in Celebrate the Arts here at Six Flags St. Louis. This year we are pleased to offer this program to performing groups throughout the entire season (excluding a few blackout dates). Enclosed you will find all of the necessary information to begin planning your group's performance at Six Flags St. Louis.

Please read through the included *Celebrate the Arts Performance Guidelines* and fill out the *Celebrate the Arts Application*. On the application sheet please select three (3) desired dates and corresponding times and locations for your performance. Because of scheduling requirements: **all applications must be received no less than two weeks prior to your desired performance date.**

Admission tickets may be purchased through Group Sales at a discounted group rate. Friends and family of "Celebrate the Arts" performance groups may also take advantage of this discounted admission price, as well as, discounted meal vouchers starting at \$9.99 plus tax. These prices are not available to the general public and are well below the front gate admission price. In addition to these great savings, you will receive one free chaperone ticket for every 15 tickets purchased. Tickets must be purchased within ten business days of your performance date to qualify for complimentary chaperone tickets.

Please review the included information carefully and return your completed application via fax, email or postal service. If you have any questions, please contact me at the telephone number listed below.

Thank you and we look forward to celebrating the arts with your group soon!

Sincerely,

Lucas T. Pate
