

# 2014 EGG DROP OF DOOM

## April 25 and May 1

**OBJECTIVE:** Create and build a container that will protect an uncooked egg from being damaged after a 23 story drop off of the *Parachute Training Center: Edwards AFB Jump Tower*

### RULES:

- Teams may consist of up to 4 students
- The completed container must be able to fit inside of a 10in x10in x10in sized box
- The following materials are prohibited: glass, compressed gasses or flammable materials
- Max weight: 1 pound
- Parachutes and commercially constructed containers are not permitted
- Containers should not be loaded prior to the entering the park and must allow easy opening for egg inspection
- Six Flags will provide eggs at the competition
- The completed model will be dropped off of the tower by a Six Flags representative
- One entry / drop per team
- Container must be labeled with School and Team name

### SCORING:

- After the drop, the egg and container will be submitted to the Six Flags contest judges
- Eggs will be determined to be undamaged or damaged (undamaged eggs must be fully intact)
- If the egg is *damaged*, the team will be out; if the egg is *undamaged*, the team wins!
- Egg must land in the designated target area. If egg lands in a back area or if Six Flags determines it cannot be retrieved, it will be considered broken.
- All eggs must be discarded after the drop

### PRIZE:

- Teams that were able to keep their eggs from being damaged after the drop will receive 1 exit pass to skip the line on their favorite ride in the park
- All students will receive a Certificate of Participation after completion of the drop
