ZOMBIE INFESTATION** ADVENTURE THEATRE

Presented by

The zombie plague has over run the world. In an emergency response, the military has launched a mass effort to protect the uninfected while exterminating the Zombie Infestation. Z.E.R.O. (Zombie Elimination Response Operation) camps are currently being erected across the nation within every major city. We are in a very hostile situation. Your local Camp Z.E.R.O. is your only hope to stay alive. Take action now.

All haunted attractions will have a minimum of ½ hour wait, depending on guest demand. The earlier in the day you plan your visit to a haunted attraction, the less your wait time is likely to be. All haunted attractions incorporate the use of theatrical smoke and strobe lights. Persons sensitive to these items should not participate. "PIGGY'S BLOOD SHED", "CADAVER HALL ASYLUM", "CIRKUS BERZERKUS", AND "ZOMBIE INFESTATION"™ incorporate the use of a large number of latex props. Persons with latex allergies should not participate. Be sure to read all attraction information signage before entering for specific rules of conduct and warnings.
